Like a big backyard.

To develop a sustainable place that incorporates an organic garden that promotes health and wellbeing that is accessible and friendly and provides the opportunity for sharing ideas.

It's just like a big backyard.

How can you get involved?

- Become a member, it's quick and easy
- Bring the children, they love seeing things grow and getting dirty too. Increase their enjoyment of veggies!
- Sign up for a garden plot to start growing fresh veggies today
- Volunteer to help in the development of the "Community Areas" of the Garden
- Join the Committee and play a part in an dynamic community group!
- Share your experience as a mentor or offer to teach a how-to workshop – a garden requires many different skills. Don't feel shy to come along!
- Come along to a working bee / morning smoko and meet other like minded gardeners.

Flowers grow in flower gardens,
Veggies grow in vegie gardens,
People grow in Community Gardens.

How does the Garden work?

The Roma Community Garden Team

The Garden is administered by a volunteer committee that meets monthly and all are welcome to participate by attending the meetings.

Garden Plot information:

There are a variety of plots available, including;

- Family plots
- Individual plots
- Organisation plots
- Raised garden plots

Support and Funding

The RCG can't exist without receiving generous support from individuals, businesses and Government grants. We would like to thank all our supporters for their help, especially Endeavour Foundation, Maranoa Regional Council, Queensland Health and local businesses and volunteers.
